

Dear Teachers,

Student Council is sponsoring our annual Divine Mercy Thanksgiving Food Drive for the needy families in our parish. In order to have a variety, we divided the food items by grades. We hope that you and the children in your class will bring one or more of the items on this list. Of course, any donations will be appreciated. Your SC representative will bring a box and a sign to your classroom by **Friday, November 5**. If your box becomes full, please send word to Mrs. Woodward and we'll come get it.

Our food drive will take place **Monday, November 8 to Friday, November 12**. Please put this message on their homework assignments.

Thank you and thank your class for their generosity!
