## September 2020 Welcome Back to School!

Home and School is excited to welcome you to the 2020-21 school year! This year's home and school theme will be "We are Stronger Together". Our co-presidents are Melissa Burke and Chrissy Riehm. Melissa has two children at SEAS in 3<sup>rd</sup> grade and 7<sup>th</sup> grade. Chrissy is a '97 SEAS alum and has two children at SEAS in Kindergarten and 3<sup>rd</sup> grade. Melissa and Chrissy are excited to make this "different" school year the best possible for our Home and School Association! We plan to be creative in how we have events for our families and children. We have a great group of parents on our board that are ready to help make this a great year! Please be on the lookout for ways to volunteer and participate throughout the school year!

Sincerely,

Melissa Burke and Chrissy Riehm
