

St. Elizabeth Ann Seton School EAGLE WATCH

"Our eyes are fixed on the Lord!"

May 3-7

From Our Principal...

We had a wonderful **Field Day** on Friday! Thanks again to our **Men's Club** chefs for providing us with a delicious barbeque lunch! We are blessed to have such a supportive community around us!

Congratulations to our **Second Graders** who made their **First Holy Communion** on Saturday. This is such a momentous event in the faith life of all Catholics! They will continue to be in our prayers as we support them on their journey of faith!

We will have **May Crowning of Mary** this Thursday before Mass. Please remember to **send a few flowers with your children on Thursday morning**, which will be combined into a class bouquet.

I would like to remind all of our families that even though many mask restrictions and other COVID protocols have been lifted, ***they have not been lifted in our schools.*** We have managed to keep our students healthy and learning in school in large part because of your cooperation and diligence in following the state guidelines. Let's make sure we stay on course through the end of the school year! **You must wear a mask at all times on school grounds and maintain social distancing.** As always, thanks so much for your support and cooperation with this.

We are really looking forward to our **Wetlands Day** this Friday! It is a wonderful learning experience for all of the students. Our thanks goes to **Mrs. Rizzo** for all of her hard work to make this happen every year!

With school ending in just about three weeks, there are many important dates and reminders coming up. **Remember that all important school information is on our school website calendar.**

We look forward to the day when Student Life is back in full swing for our students and families!

God Makes Our School A Family

God makes our school a family.
We work together, we play together.
We need one another,
e help one another.
We love God together,
we worship God together.
We grow together,
we forgive one another.
We serve God, we serve each other.
We are many, we are one.
We are a family, we are a school.

Lord, we ask you to
bless us in our school.

May the work we do here please you,
and show you how much we appreciate
all that you do for us.

Open our minds and hearts to
knowledge, to wisdom.

Help us to take our places
as the future leaders of the world.

Bless our teachers and our parents for
the sacrifices that they make for us.

Help us to live every day of school well;
so that we may know you better, follow
you more perfectly, and love you more.

We make this prayer through Christ,
Our Lord. Amen.
